

Riding the Waves of Joy

Chanting

JENNIFER KLINE AND CAMILLE SACRISTAN

HEARTFELT THANKS: To my daughter for her willingness to assist me in my dream to record this CD. To my husband Juan Sacristan for his love and support. To Timothy for co-creating the vision. To Daniel Paul, Vijay and Mirabai, you are the best! Thank-you to the following people who have helped me be who I truly am: Ava Brenner, Dean Lobovits, Cindy Wilborn and Bill Lamond. To Jai Uttal who has assisted me on my path more than he knows. Thanks to Krishna Das who can remember Camille sleeping during his *kirtans* forever....

To The Guru who lives inside my heart and who is guiding me down my yellow brick road and into my blessed life. May all beings be free from suffering and live in dignity with enough food, water and love to thrive.

Om Shanti Shanti Shanti Peace Peace Peace

Jennifer, December, 2013

THIS MOTHER DAUGHTER DUO weave their songs with strength and sweetness. This simple heartfelt music reflects the love, joy and pure spiritual aspect of their connection to each other and to the practice of *kirtan*. Come *Ride the Waves of Joy* with them to discover and awaken connections within.

Jennifer Kline—In addition to leading chanting, Jennifer is a chiropractor, healer, mandala painter and basketweaver. Jennifer brings her vast knowledge and experience of energetic healing into her voice and insights.

Camille Sacristan—Camille has been leading chanting since she was ten. Her angelic voice can be heard on MC Yogi's Elephant Power CD and Jai Uttal's Kids Kirtan CD. Camille is currently in college where she plays soccer and is majoring in neuroscience.
